Small Business of the Year Awards

The Greater Tampa Chamber of Commerce's Small Business of the Year (SBOY) Awards annually pays tribute to businesses with fewer than 250 employees. Statistics show that 99 percent of businesses in our community are small businesses. As a vital piece of Tampa Bay's economic foundation, these companies are most definitely worth celebrating.

This year's Awards Ceremony will take place on Friday, September 28, 2012 at the Tampa Convention Center.

Congratulations to our 2012 Semifinalists!
