## FEDERALLY INSURED DEPOSITS WITH NORTHSTAR BANK

At NorthStar Bank, we know that in an unpredictable economy, you want to be certain that your money is protected. At the same time, you'd like to see it grow. We provide options that give you federal coverage on your balances, many of which also pay you interest.

### WHAT THE FDIC PROTECTS

Your NorthStar Bank deposits are protected up to the standard deposit insurance amount by the Federal Deposit Insurance Corporation (FDIC). The standard deposit insurance amount is \$250,000 per depositor, per insured bank, for each account ownership category. FDIC insured accounts include checking and savings accounts, money market deposit accounts, CDs and deposits in IRAs.
